Dear Resident,

The City of Dallas and Dallas County would like to invite you to an Information Presentation on February 11 about Chalk Hill Trail that is currently under study in your neighborhood. A map of this proposed trail is available on the other side of this invitation.

Your participation with your family, friends and neighbors will help ensure that this trail can become a valuable asset. The trail will connect with City parks, Mountain View College, businesses, and the Westmoreland DART station, and it will provide enjoyable opportunities for walkers, joggers, cyclists, families, and students. It will also provide scenic views not often found in Dallas.

The meeting will be held at the Arcadia Recreation Center (5420 S. Arcadia Dr., Dallas, Texas 75211), on Thursday, February 11, at 6:30 p.m. Please attend and find out more about this upcoming project. We hope to see you there.

Thank You.

Most sincerely,

Estimado Residente,

La Ciudad de Dallas y el Condado de Dallas les invita una Presentación Informativa el 11 de Febrero, sobre el Sendero Chalk Hill que está en estudio para su vecindario. El mapa del sendero que se está proponiendo está del otro lado de esta invitación.

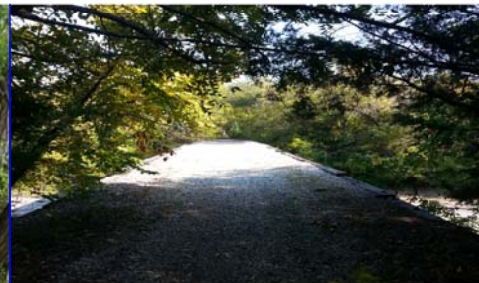

Su participación, junto a su familia, amigos y vecinos ayudará a asegurar que este sendero llegue a ser un gran beneficio. El sendero se conectará con parques de la Ciudad, el colegio Mountain View, negocios y la estación de DART en Westmoreland y proveerá oportunidades recreativas para peatones, corredores, ciclistas, familias, y estudiantes. También proveerá vistas pintorescas no encontradas comúnmente en Dallas

La reunión se realizará en el Centro Recreación Arcadia Park (5420 S. Arcadia Dr., Dallas, Texas 75211), el día Jueves 11 de Febrero 2016 a las 6:30 p.m. Por favor asista y descubra más detalles sobre este proyecto que viene. Ahí lo esperamos.

Muchas gracias.

Muy sinceramente,

Komala Narra, P. E.
