(THIS IS NOT AN ADDENDUM)

The Dallas County Purchasing Department has received and hereby provides for general information purposes only the following questions and the County's responses. (Note: Due to time constraints, Dallas County will not be responsible for ensuring confirmation vendor receipt of this and/or any further acceptance of and/or responses to future questions prior to the solicitation opening date.)

QUESTION NO. 1: Do you know why a substitute is not acceptable? We are a manufacturer of an alternate part that is much more economical.

RESPONSE: The Purchasing Department wanted to stay consistent with the specs from the previous contract and keep the specs at "No Substitutions" to avoid potential quality issues. Per the bid, samples are accepted for testing.
