Breast Cancer Awareness Month

Currently, about 1 in 8 U.S. women (about 13%) will develop invasive breast cancer over the course of her lifetime. In 2021, an estimated 281,550 new cases of invasive breast cancer are expected to be diagnosed in women in the U.S., along with 49,290 new cases of non-invasive breast cancer.

Commissioner Garcia encourages everyone to be proactive in staying healthy by getting screened now to be informed, to prevent, to treat and to understand those who are going through the different levels of this disease.

National Night Out

National Night Out (NNO) enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Commissioner Garcia enjoyed visiting different neighborhoods that hosted NNO in District 4 and was happy to greet and listen to the community member's needs.

Chinese Moon Festival

Mr. Mathew Loh, CEO of Asia Times Square, hosted their 13th Annual Mid-Autumn Festival also known as the Chinese Moon Festival. Commissioner Garcia presented a resolution recognizing this phenomenal celebration in Dallas County and joined their efforts to preserve traditions and promote cultures.

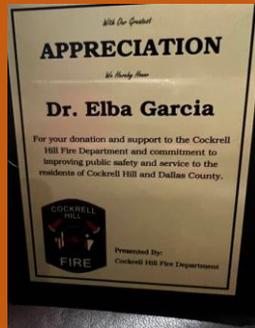

R&B 4 Crew Paving the Way in the City of Carrollton

Commissioner Garcia is very proud to share that our Road & Bridge 4 crew continues to work hard. Currently, they are working in the City of Carrollton doing some pavement repairs, and overall, beautifying the neighborhood and making the commute safer for drivers, riders and pedestrians. It's always great to work with different municipalities to improve the quality of life for all of our Dallas County constituents.

Commissioner Garcia is recognized by City of Cockrell Hill

Mayor Luis Carrera with the City of Cockrell Hill recognized Commissioner Garcia in appreciation for the funds approved (\$7,740) from her County budget to purchase updated radio communication for the Cockrell Hill Fire Department.

The addition of this new equipment will tremendously benefit serving the residents of Cockrell Hill and Dallas County as it will provide better communication to provide assistance and ensure that everyone is safe and protected.

Dallas County Departments move to the renovated Records Building

Commissioner Garcia is very excited to share that the move into the renovated Records Building has started and the process has been successfully smooth.

The following departments were relocated in their new offices this month: Auditors, County Clerk, Purchasing, Tax, Mailroom, IT, Treasurer, Human Services, Public Works and the Civil District Attorney.

We are pleased to share that with this upgrade, Dallas County constituents will be able to receive all the Dallas County services they need, hassle-free, in one beautiful place. Additionally, Dallas County employees will also have the opportunity to work closer together in a facility that provides a better working space, more natural light, and hallways that encourage more physical activity and promote better physical and social-emotional health.

The renovated Records Building is Certified LEED Silver and a Well Certified building making it a win-win for everyone.
