

# DR. THERESA DANIEL DALLAS COUNTY COMMISSIONER DISTRICT 1 NEWSLETTER

DECEMBER 2021

## *Happy Holidays!* *District 1 Year in Review*

### Greetings from Commissioner Daniel

What a year this has been! With the vaccines rolling out to the community, we are starting to see more and more in-person events. People are hungry for the sight of each other and we are carving out our "new normal." We've suffered some endings but also celebrated some pretty great beginnings. We are receiving the most federal aid we've ever gone to help because we have the most people in need we've ever had. But with those funds comes change. We were able to open two new housing facilities, get relief to the food insecure and provide child care assistance to those searching for new jobs. We've conducted a Census and redistricting and are fighting to keep our elections accessible to all who can vote. Please enjoy this photo recap of last year and I hope you and yours be safe, stay safe, healthy, housed and well.
