Women's History Month

As we celebrate Women's History Month, I want to recognize and honor the contributions of the women change-makers and activists who have overcome adversity, sought equal rights, and paved the way for greater opportunities in politics, education, work, and health.

COVID ENDS WITH ME.

The COVID-19 vaccine will stop this pandemic.

Dr. Elba Garcia, Dallas County Commissioner - District 4

COMMISSIONER GARCIA RECEIVES COVID-19 VACCINE

On Wednesday, February 24, 2021, Commissioner Garcia received the COVID-19 vaccine at Ellis Davis Field House.

Commissioner Garcia provided a statement to the residents of Dallas County ensuring them that the COVID-19 vaccine is 100% safe and the procedure was harmless and takes less than 10 minutes to administer.

She hopes to encourage everyone to register and get vaccinated, especially our residents in the Latino and African American communities who have been severely impacted by the effects of the COVID-19 pandemic.

Thank you Parkland Hospital, elected officials, and community leaders for your efforts to educate, register, and help administer the vaccine.

Our Road & Bridge team distributed 142 cases of bottled water to senior living facilities, recreation centers, and community centers to provide assistance to those who were affected by the recent winter storms.

CHRIS HOWELL FOUNDATION – WINTER STORM RELIEF DRIVE

The Chris Howell Foundation in partnership with Commissioner Garcia, Telemundo 39, NBC5, and Mountain View College hosted a winter storm relief drive providing free food, water, and a PPE care package.

COVID-19 VACCINE FOR SENIOR CITIZENS

In an effort, to ensure our senior citizens receive the COVID-19 vaccine, Commissioner Garcia partnered with Dallas County Judge Clay Jenkins and Dallas Parks and Recs, and Dallas County Health and Human Services to provide COVID-19 registration appointments on the spot. Dallas County provided buses to transport our seniors to Fair Park to receive their COVID-19 vaccine.
