

John Doe
1234 Main Street
City Name, ST 12345

November 01, 2019

Dear Mr. John Doe,

On September 3, 2019, York Risk Services Group (“York”), your current absence management provider, was acquired by Sedgwick, a leading global provider of technology-enabled risk, benefits and integrated business solutions. Starting on **November 11, 2019**, York will be branded as Sedgwick. This does not change anything with your current leave of absence and you can expect the same service you are receiving today, just under a new name and brand – Sedgwick. You don’t need to do anything as a result of this brand change. It’s important to note that York will still remain a legal entity at this time, so you will continue to see the York legal name on select correspondence.

What will not change:

- Your existing York program materials and wallet card will not need to be updated as a result of the rebrand. All contact information is still accurate.
- Existing office address(es) and phone numbers will stay the same.
- At this time, you will continue to utilize myfmla@yorkrisk.com as needed.

What you can expect to change:

- The Sedgwick name and logo will be on all letters and other communications.
- Our email address will be “firstname.lastname@sedgwick.com.” Emails sent to our current email address(es) will be forwarded; however, myfmla@yorkrisk.com will not change as noted above.
- The URL to our employee portal (timeoff.yorkrisk.com) will be timeoff.sedgwick.com. If you attempt to access the previous URL, you will simply be redirected to the new site.
- Our website (yorkrisk.com) will direct you to sedgwick.com and will continue to provide you with access to portals and opportunities to engage.

If you have any questions, please contact your claim specialist.

Thank you
