General trail location shown in red above.

The Spring Creek Trail presently consists of 1.5 miles of what will eventually be a five-mile trail. The 0.8-mile segment located between Holford Road and North Garland Avenue connects various neighborhoods, the County's Spring Creek Forest Preserve, and the City's Winters Park. The preserve possesses some of the oldest trees in Dallas County and offers paved parking, restroom facilities, and a picnic pavilion. The 0.7-mile Spring Creek Harris Trail is located west of the preserve and can be accessed at N. Shiloh Road between Campbell Road and Mapleridge Drive.
